

NFCS SUMMER READING LIST – FIRST GRADE

North Florida Christian School expects all students to read during the summer. Parents are encouraged to participate in this process by helping select appropriate books to read and by reading aloud to their first grade student. Students entering the first grade should read at least ten (10) books during the summer. Students who complete ten books and return this sheet the first day of school will enjoy a celebration party.

Specific titles are not required for first graders, however, we have included a list of suggested books that are on grade level. There are also two web sites below to use as resources to find excellent books.

Caldecott Award Winners and Honors books may be found at:

Christian Librarian Award Winners may be found at www.childrenscrownaward.org/crown.htm

Please list the title and author for all books read this summer on the form below. Parents, please sign the form and send it with your child on the first day of school. Have a blessed summer!
