I understand that remote learning through North Florida Christian School will require my student(s) to be online during the school day for the same timeframe as a regular school day and they will participate in all areas of classroom learning. I further understand that the tuition for remote learning is the same as that of the brick and mortar school.

This agreement is for the first nine weeks of the 2020-2021 school year and can be revisited as needed for the second nine weeks dependent upon the circumstances surrounding the COVID-19 pandemic numbers in our area.
