

## SUMMER READING ASSIGNMENT

### MIDDLE SCHOOL (*Grades 6 – 8*) 2019-2020

Welcome to the 2019 Summer Reading Program. We are excited to invite you to spend time exploring a world of new experiences through reading!

Every North Florida Christian School middle school student is required to choose a selection from the list provided. After reading the selection, the student should prepare a report as instructed below. Be sure to complete the assignment for the grade level that you will be entering in the 2018-2019 school year. Questions may be directed to any English Department member or to Lynn Burgess, Language Department Chair. You may call the High School Office at 850-386-6327, ext. 122, or e-mail [lynnburgess@nflchurch.com](mailto:lynnburgess@nflchurch.com).

#### **Note to Parents:**

You play an important role in the summer reading process. We encourage you to read the book with your child and initiate discussion about the book and the assignment. The report should be typed, but can be hand-written by the student in either blue or black ink. Please encourage your student to put his/her own thoughts and ideas into the work.

#### **Scoring and Due Date:**

The summer reading assignment will count as **one (1) test grade** of the first nine-weeks English grade. The assignment is due **Friday, August 16, 2019. This is the Friday of the first full week of school.** If a student is not in attendance on this date, and the absence is excused, the student may turn in the assignment the first day he/she begins the school year. **Late assignments will not be accepted.**

#### **Assignment:**

After you have read the entire book, write a report following these guidelines:

- **Heading** – Write the title of your book and be sure to use correct form in the center of the first line of paper.
- **Paragraph 1** – Write the title, the author's name, the number of pages and the type of book you have read. This could be fiction, non-fiction, biography, Christian fiction or Christian biography.
- **Paragraph 2** – Summarize the story or plot. Use good description and sentence structure. This should be in your own words and not copied from the book.
- **Paragraph 3** – Write about your favorite part of the book. Explain why you would consider this to be the part you liked best.
- **Paragraph 4** – Write about the influence this book had on you. Did you learn something you had not known before? Would you tell others to read this book? Why or why not?
- **Closing** – If you have read the book, write the statement "I have read this entire book" and sign your name.
